

## **Munen Muso Martial Arts - Erina, Central Coast NSW**

### **Why Our School?**

Grand Master 8th Dan Gary Johnson [Soke] has trained exclusively in the Martial Arts for the past 47 years having studied under some of the Greatest Masters of numerous Arts throughout the World. His knowledge of the Martial Arts involves some of the most intricate forms of 'Self Defence' available today. Some of these are several forms of Traditional Karate, JiuJitsu, eastern Kung Fu styles, Boxing, Kick Boxing, Muay Thai, Krav Maga etc, in fact 'too many' to mention at this time but his knowledge and prowess is unparalleled in Australia, though not taking away from some other Styles whose Master Instructors also deserve recognition, Grand Master Gary did not stick to one or even two Styles but MANY, of which he extracted the finer points and blended them into his teachings, which he is always improving on to keep up with the modern era. He has also provided instruction to numerous Security companies as to 'proper control' and rendering of offenders in a safe and secure manner. He has also been called upon to be Personal Body Guard to several people of high status, in fact one of his later causes was to drive and protect the legendary Sir Elton John on his last Tour here.

Many of our Students who wish to, voluntarily, enter Inter Club and National Tournaments at the highest level 'frequently' scoop Gold and Silver Medals and First Place Trophies in the majority of contests they enter, which is by no means as easy as it may seem, but these results have come about because of their commitment and incredible respect for their Master

Instructors. Having said all of that it is NOT expected of ANY Student to participate in Tournaments, this is 'strictly' the choice of the individual Student. Some years ago Soke Gary received personal recognition by the Emperor of Japan to "Samurai" Status, something that only THREE other Australian Grand Masters had previously been acknowledged for. He was also recently inducted into the "Australasian Martial Arts Hall of Fame" along with the "World Karate Union Hall of Fame" by his peers.

Also there is his wife of 'Master' Level 6th Dan Leanne (Janvrin) Johnson (Kyoshi) who is one of the most regarded Traditional Karate and Kata Instructors available today. Kyoshi Leanne has won 'many' Gold and Silver Medals including MANY 'First Place' Trophies at numerous Australian and International Tournaments in her earlier years and is still recognised today as one of the 'finest' Exponents and Master Instructors of Traditional Kata in Australia taking many of our Students to Silver and Gold Medals in both Individual and Synchronised Kata.

Together Gary and Leanne combined their wealths of knowledge into the comprehensive Martial Arts Style which they named MUNEN MUSO, which means "to act calmly and naturally in the face of danger..." and have nurtured many many Students to Black Belt Level and beyond, BUT if the 'Traditional' aspect of the Martial Arts (Karate etc) which does take some commitment (as many people of ALL ages really enjoy) is not for you then you can enjoy the benefits of some of our other programs offered at our school: Boxing, Kickboxing, Muay Thai, Brazilian Jui Jitsu, Krav Maga (Close Quarter Tactics Self Defence) and Hyper Pro Training
