

<p>Munen Muso Parent Comment</p> <p>Jamie has been going to Munen Muso for 3 years. When he started he was 4 years old. It has been wonderful to watch him progress not only as a Little Ninja with good karate and self defence skills, but also as a person with respect and self discipline.</p> <p>To top it all off he just had his 7th birthday party at Munen Muso and he couldn't have been any prouder to show his mates his karate skills and to introduce them to Kyoshi.</p> <p>Yvette Zoher</p>
